- a. Buddy System – we're still working on it, but please be on the lookout for more information.
- b. Landon- Health screening fair NC farmer's beareu, vascular ultrasound, blood pressure, etc. May 1 at the Wal-Mart near HWY 33 toward Grimesland. Fliers are posted on the OrgSync site, we are looking to recruit more individuals to come to the event, so please help get the word out!
- c. GPSS monies- We still have unused money with GPSS, which can actually harm our funding availability for next year, so if you have any events that you might want funding for please send PHO an email at pho@ecu.edu. Dr. Lea suggested a possible conference in June 22-26 that is being held in Nashville, TN by CSTE and entitled "Striking a cord: Epi with Impact." If you are interested in attending this conference the website is <http://www.csteconference.org/>, please find more specifics about the opportunity and let PHO know as soon as possible!
- d. GPSS funding- if you are interested in funding from PHO please let us know within the month of April, preferably by the 20th of April.
- e. Studying abroad in Ecuador, see Shanekia Joyner for more information.
- f. Student presentations in the Spring will be April 30! Please attend, support, and learn.
