EDUCATION

Ph.D. in Health Services Research, Administration, and Policy 2021
University of Nebraska Medical Center (UNMC), Omaha, Nebraska, USA
Dissertation: *Health Service Utilization and Expenditure in Cardio-Metabolic Conditions in the United States Adults*

Post Graduate Certificate in Quality Management and Accreditation of Healthcare Organizations 2012
Academy of Hospital Administration, Delhi, India
Project: *A gap analysis on the implementation challenges of ISO 9001:2008 & IPHS standards at a Primary Health Centre*

Masters in Hospital Administration 2011
Tata Institute of Social Sciences, Mumbai, India
Thesis: *Facility planning of 20 bedded Ophthalmic Day Care Centre*

Bachelor of Medicine and Bachelor of Surgery (MD equivalent) 2008
Lady Hardinge Medical College, Delhi University, New Delhi, Delhi, India

APPOINTMENT AND PROFESSIONAL EXPERIENCE

Assistant Professor Oct 2023 -Present
East Carolina University

Elected Board Member Jan 2024 -Present
Lady Hardinge Medical College Alumni Association of North America

Post-doctoral Research Fellow, University of Utah Oct 2021 -Oct 2023
Mentor: Fernando A. Wilson Oct 2021 -Oct 2023
Mentor: Jessica L. King Jensen (K01CA253235) Oct 2021 -Sept 2022
Lead and assist tobacco-regulatory and health services research
Drafting manuscripts for publications
Submit grant proposals
Team science

Teaching Assistant, Healthcare Economics & Policy Spring 2023
Full-time MHA
Professional MHA
MHA online

Assistant to Associate Editor, BMJ Global Health Aug 2019 -Aug 2020
Identify reviewers

Review articles

Teaching Assistant, Health Policy (Online course) Aug -Dec 2020
Assist Dr. Hyo Jung Tak in teaching Health Policy
Assist in grading assignments

Surveillance Medical Officer, World Health Organization (WHO) Country Office, India Nov 2011 -Jul 2016
Conduct Epidemiological investigations
Conduct monitoring and evaluation of vaccination programs
Clinical examination and sample collection of high-risk patients for Polio
Data collection, management, analysis and presentation of vaccination and surveillance programs
Provide consultation to state and local health departments
Manage WHO field office and research projects

Hospital Administrator, Manipal Hospital, Bangalore, India Jun -Oct 2011
Head of operations for Cardiology, Physical Therapy, Anesthesia, Sports Medicine, and Gastroenterology
Plan and develop standardized processes related to manpower scheduling, equipment utilization, quality compliance, and supply chain management
Ensure seamless customer experiences across both outpatient and inpatient services
Streamline and improve inpatient services through data analysis
Organize conferences for resident doctors and fellows in accordance with accreditation guidelines

Junior Resident Physician for Department of Biochemistry & Anesthesiology Jan -Aug 2008
Calibration of laboratory machines that conduct biochemical tests on patients' body fluids
Prepare laboratory reports for patients and resolve inconsistencies with treating physicians
Prescribe anesthesia to patients and provide pre-anesthesia and post-operative care
Manage the medical care and treatment of patients in intensive care

TRAINEESHIPS

Graduate Research Assistant, UNMC, Omaha, NE Aug 2016 -Aug 2021
Conduct literature reviews and assist in drafting manuscript and reports for following projects
Medicaid expansion in Nebraska
Cost-effectiveness of adult health measures
Opioid prescription drugs
Raising Minimum legal Age for Selling Tobacco in Nebraska
State Public Health Emergency Laws
Nebraska Align Coalition Recommended Measures
Creating geographic maps using ArcGIS by ESRI
Nebraska Healthcare Workforce Project
Correlation Between Agrichemical-Contaminated Wells and Birth Defects in Nebraska

Epidemiology Intern, Lincoln Lancaster County Health Department, Lincoln, NE May -Aug 2018
Analyze and evaluate current performance indicators and review progress of program areas
Conduct literature review on performance management systems in accredited local health departments

Identify data sources and develop new indicators of success for various program areas
Work with individual programs in developing effective indicators and establishing benchmarks

Hospital Administration Traineeship, Tertiary care hospitals, India Feb 2010 -May 2011

Develop quality and efficiency improvement projects for clinical care departments
Provide training to all hospital staff in preparation for national and subnational accreditations
Develop projects to improve and standardize operation processes to reduce medication errors
Design cost-effective business models for standalone nephrology and oncology hospitals

Medical Traineeship, Lady Hardinge Medical College, New Delhi, India Jan -Dec 2007

Provide medical treatment under supervision in Accident & Emergency Casualty, Preventive and Social
Medicine, Family Welfare, Medicine, Pediatrics, Psychiatry, Dermatology, Obstetrics & Gynecology,
Ophthalmology, Otorhinolaryngology, and Surgery departments
Present cases to attending and consulting doctors
Perform medical procedures on patients under supervision
